## **AFFIDAVIT**

The undersigned affiant, being duly sworn on oath, deposes and says: That he/she is an officer of the below named financial institution, a nationally chartered commercial bank or lending institution or organization purchasing promissory notes, hereinafter called bank. That, as an officer of the bank, he/she has the authority to execute this affidavit on behalf of the bank and to bind the bank to its provisions. It is understood that an exchange is not a loan. It is understood that the borrower's promissory note is not used to fund any check. It is understood that the bank does not record the promissory note as a bank asset offset by a bank liability. It is understood the bank complies with and follows the Federal Reserve Bank's policies and procedures. It is understood that the bank does not use the same or a similar bookkeeping entry to record the promissory note as a loan to the bank. It is understood that when banks participate in granting loans the economic effect is not the same or similar to stealing, counterfeiting, or a swindle. Banks who follow the Federal Reserve Bank's policies and procedures deny customers neither equal protection under the law, nor money, nor credit. The bank fully discloses to each and every borrower all material facts concerning if the borrower provides the funds to issue the bank loan check or if other depositors or investors fund the bank loan check. It is understood that the one who funded the loan should be repaid their money. It is understood that cash is the money and a bank liability indicates that the bank owes cash. I agree that if I have made a false statement regarding bank loans, then any and all loans or alleged loans issued or purchased at the bank are forgiven, without recourse, and shall immediately be considered null and void. Signed under penalty of perjury.
